

The Harris County Firefighters Association  
Presents:

## **“FLOOD BOAT OPERATIONS”**

In partnership with:

### **RESCUE TRAINING INTERNATIONAL (LRBO-1)**

The Lake Rescue Boat Operator 1 course is targeted to personnel and agencies responsible for waterways or flooded areas with minimal current flow. Lakes, bays, slow moving river or creeks, flooded neighborhoods and city assets such as those around the Gulf Coast and Harris County areas during Hurricane Harvey 2017.
